Clean-Up Squad to Visit Gettysburg.

A. S. Houchin, Jr., advance agent for the clean-up squad, met representatives of the American Legion, Red Cross, and Rotary Club Thursday evening in the Court House to plan for the coming of the clean-up squad. The "clean-up squad" from the U. S. Veterans' Bureau is now working its way through Pennsylvania, will arrive here March 6 and will be located in the Court House.

The "clean-up squad" wishes to render every possible service to each veteran who has a disability incurred in or aggravated by service in the United States Army or Navy during the World War. Special care will be taken to see that those who are bed-ridden have adequate medical care. All urgent cases will be hospitalized at once. Advice and assistance will be tendered through the men in making out the necessary papers, to file for compensation and training.

Mr. Houchin urged that every possible means of publicity be used in order to insure that every disabled ex-service man of Adams county is reached and assisted in preparing his claim, and that the Legion men, especially, see all their comrades, and make sure that every man who has any kind of claim come on March 6 to see the clean-up squad.

Mr. Caldwell has accepted the appointment of State dog law enforcement officer for Adams, Franklin, Cumberland and Fulton counties and took up his new duties Wednesday. Excursion to Baltimore.

The Western Maryland Railway Co. has arranged an excursion to Baltimore for Wednesday, Feb. 22. This is the first Baltimore excursion that has been run for more than a year. The train leaves Gettysburg at 7:50 in the morning and returning leaves Baltimore at 7:00 P. M.

Save the Red Cross Home Service.

The Red Cross Home Service, realizing that the work of the Red Cross must come to an end within a few months' time for the want of funds and membership to keep it going, made a special appeal to a number of people in the county for contributions to make possible the continued existence of the work of the Adams County Red Cross Home Service. Already contributions of \$100 have been received and it is hoped many times this sum will be received to save the Red Cross in this county. Contributions can be sent to the Secretary, Miss Margaret McMillan, Gettysburg.

This week application was made for a family at Fairfield, where the home was destroyed by fire. The family, consisting of father, mother and five children lost all their belongings. Neighbors have provided food, but the need has been for clothing and household things and the Red Cross got busy at once. This was the second call this month for fire victims. When the service has been reduced to very limited means, it makes difficult the response that should be made immediately.

There must be hundreds of our people who believe the welfare of a community requires the Red Cross Home Service. Now is the time to extend the helping hand.

Moonshine Still Captured.

Edward S. Sneeringer and Norman Small were arrested last week by State Police Sergeant Paul S. Worcester and Private Frank B. Goucher. Both men are charged in this county with manufacturing, selling and possessing intoxicating liquor. The State Police armed with search warrants went to the tenant house on farm of John R. Kuhn, Esq., of Brooklyn, near East Berlin, occupied by Edward S. Sneeringer, and found in the cellar a copper still of 35 gallons capacity attached to a whiskey barrel with other evidence of the manufacture of liquor. It is alleged that the men have been selling their moonshine in Hanover, selling bottles of the stuff in postboard cartons. The men are being prosecuted in York county for such sales. The still was removed by the State Police. The still found in the cellar is the width of an ordinary cook stove. The officers also found four large whiskey barrels of mash made of prunes and peaches, and four other barrels of the same size and capacity, but empty. Four jugs containing distilled liquor and brandy, about ten gallons; eight empty whiskey bottles, a tester, a bottle of sugar coloring, paddies and other paraphernalia used in manufacturing liquor were found. The stuff was all seized, placed on a truck and brought to Gettysburg where it was stored in the county jail. The mash was destroyed by pouring kerosene on it.

\$10,000 Verdict Will be Paid.

Robert E. Sheads will receive the \$10,000 verdict for the loss of an arm at a railroad crossing in Hanover in 1918. A jury at the January court rendered the verdict against the railroad administration in charge of the railroads at that time. A motion was made following the verdict by Cochran and Williams for a new trial and the usual course for many similar cases is an appeal to the Supreme Court. The attorneys for the railroad recently indicated that they have been advised not to proceed further in the case, which means judgment will be shortly entered on verdict and Robert Sheads will be paid. Mr. Sheads has had the sympathy of his town in his affliction. He was a student at college when hurt. The injury was at a dangerous crossing in Hanover often obscured by other cars and the evidence was that there was no warning given before train struck car.

Lost Finger in Corn Shredder.

On Friday morning of last week John C. Eyer, of Cumberland township, near Barlow, was operating his corn shredder with the help of the tractor of Robert Durboraw. During the operation a corn stalk caught Mr. Eyer's wrist, drawing his gloved right hand between the rollers of the machine and to the knives before he was able to free himself, but not before the knives caught the third finger of the hand and almost severed. The hand was badly crushed. Mr. Eyer was taken to the Annie M. Warner Hospital at once where the third finger of right hand was amputated at the second joint.

SUMMON STATE DEMOCRATS

TO A CONFERENCE AT HARRISBURG FRIDAY, FEB. 24.

For a United Party for Better Things for Pennsylvania and Its People.

Prominent Democratic voters, men and women, have been asked to attend a State-wide conference of the party in the Orpheum Theatre, Harrisburg, Friday morning, Feb. 24, at 10 o'clock to discuss candidates.

State Democratic Chairman Bruce F. Sterling has called together the editors of the Democratic newspapers of the State, the Democratic county chairmen, those Democrats elected to Congress since 1910, the Democratic judges of the State, and a great many prominent Democrats from all counties. A large and representative delegation of women will be at the meeting by invitation of Mrs. Clarence Renshaw, chairman of the Democratic women.

The object of the meeting will be to discuss plans whereby the party will present a united front in supporting strong, clean and capable candidates for office.

The statement of Chairman Sterling addressed to the Democrats of Pennsylvania is:

"A factional fight in the Democratic party this year, would give aid and comfort to the Republican machine that has too long dominated the affairs of State government, to the detriment of the citizen and the taxpayer."

"The independent Republicans of the State do not believe they can oust from control of their party a political system that has been building for years, and therefore they are not expecting to have much voice in the selection of Republican candidates at the May primaries."

"As Democratic State Chairman, I am not interested in the success of any of the factions fighting for place in a minority party. I am interested in a united party as an instrumentality for accomplishing better things for Pennsylvania and its people. The rank and file of the Democratic party I believe are earnestly anxious for harmony because they represent three-quarters of million taxpayers of the State. The great mass of independent voters of all parties desire a united democracy, while the Republican machine is trying to stage the usual factional fight in the Democratic party."

"I believe the time has come when a great many of Pennsylvania's true Democrats should be called to sit in judgment on the affairs of their party and therefore I propose to meet the issue squarely and have arranged for a state-wide conference at the Orpheum Theatre, Harrisburg, Friday, Feb. 24, at 10 A. M."

"There will be asked to come to this meeting, the editors of the Democratic newspapers of the State, the Democratic county chairmen, those Democrats who have been elected to Congress since 1910, the Democratic judges of the State, and a great many prominent Democrats from all counties of the State. I have asked Mrs. Clarence Renshaw, of Pittsburgh, chairman of the Women's Democratic State Organization, to have a large representation of the Democratic women voters at this conference. The conference will be held one day before the time fixed by law to obtain legal signatures to petitions of candidates and six weeks will elapse between the date of the conference and the last day for filing papers. This should give all persons interested in the success of the party a free and full opportunity to urge competent and capable men to aspire for State and district offices. I propose to ask to this general conference many Democrats who have been honored by their party in the State and nation and I feel they should now give to the party their best endeavors. I also invite men who expect to seek honors through the Democratic party in the future."

"Fully sensible of the deplorable condition into which the State has been plunged by the men who control the Republican party, my sole aim and purpose now is to place the Democratic party and its whole organization at the service of the people of Pennsylvania."

"BRUCE F. STERLING, "State Chairman."

Mr. Grecht hit the steering wheel in a way that all the woodwork of the wheel was broken but he escaped serious injury. The radiator was smashed and front wheel of car twisted. STOP THAT ACNE!

Don't worry and fuss about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many Gettysburg people have used them and know how effective they are. Ask your neighbor. Here's a Gettysburg case.
C. B. Strambaugh, retired farmer, 204 W. High St., says: "Doan's Kidney Pills are a medicine that one can depend on. Six years ago I caught a cold which had me feeling lame and weak. When I stooped a little too much there was a kind of stitch that took me in the middle of my back. I was troubled with lameness in my kidneys every morning until I had been up a little while. Backache had me all out of shape and it didn't take very much work to sap my strength. My kidneys were so weak that I could hardly control them. Doan's Kidney Pills were recommended to me and a few boxes which I got from the People's Drug Store corrected all these troubles and put my kidneys in good shape." Get at all dealers. A Word of Appreciation

In giving up my furniture business which I have conducted in Gettysburg for the last twenty-five years I desire to express my appreciation to my many customers and friends for their patronage.

My only hope is that the patronage I have enjoyed will be extended to my successor, R. W. Wentz, who has had a wide experience in the manufacture of furniture.

I will continue to conduct my undertaking business, and have associated with me my son, J. Milton Bender, under the firm name, H. B. Bender & Son, Funeral Directors. We will now give our entire attention to the undertaking business.
